Education Background

2018

Bachelor of Fine Arts in Graphic Design, University of Washington

About Me

Jordan Smith is a creative and detail-oriented UI/UX Designer with 4 years of experience in crafting user-friendly and aesthetically pleasing interfaces. With a keen eye for design and user experience, Jordan excels in creating designs that are both intuitive and engaging. Jordan is passionate about understanding user needs and translating them into digital solutions that enhance user satisfaction and drive business success.

Professional Experience

Creative Solutions | UI/UX Designer

2020–Present

Led the redesign of the company's main product, resulting in a 30% increase in user engagement. Collaborated with product teams to create user-centric designs for mobile and web applications.

Digital Arts | Junior UI/UX Designer

2018–2020

Assisted in the development of wireframes and prototypes for various projects. Conducted user research and usability testing to inform design decisions.

Projects

Used Books mobile app

A platform to sell as well as to buy used books only for PCCoE College due to this reuse of books will be there beneficial for environment also indirectly helps increase communication between juniors and seniors.

Parking Automation System

it's a web application which helps you to book your slot for your car just like booking a movie ticket from home.
